HORSE SHOW TIPS

MAKE THE MOST OF YOUR SHOW BY FOLLOWING THESE TIPS!

Take pictures! Take video!

Here are a few tips to help:

- Make sure your horse is clean and braided. If you cannot have your horse braided, make sure the mane is pulled and short.
- For the in hand classes, make sure to have reins with clips that are easy to remove
- If your horse is not used to a bridle, we recommend that you practice at home a few times before the show
- Make sure your horse's feet are trimmed and clean. The trimming should be done a few days before the show to avoid soreness in the feet.
- For the in hand classes, make sure to have reins with clips that are easy to remove.
- If your horse is not accustomed to a bridle, we recommend that you practice at home a few times before the show.
- Please be mindful of your space when you have a horse in hand. Try not to get yourself crowded with other horses around.
- Practice the jump chute at home if possible. Do not over face your horse !
The height is not important at first. You just need to build confidence.
