## Penmerryl Farm Bed and Breakfast

*Welcome! Thank you for choosing to stay on our beautiful property. We appreciate your business and wish you a comfortable and wonderful visit full of relaxation and happy memories. If there is anything we can do to assist you please feel free to call, email or text at anytime.*

Here is some basic information for you:

**Location:** GPS address: 273 Penmerryl Drive, Greenville, Va 24440

Directions: Take I-81 to the Greenville exit (from the north take Exit 213A and from the South take Exit 213). Then, take Route 11 South into Greenville and follow the signs for Route 662 East. This will mean turning LEFT across from BB&T bank, then IMMEDIATE right onto Main Street, then first Left onto Route 662 East-Greenville School Rd.

Penmerryl Farm is one mile from that turning, on the Left. Look for a big sign in the form of a Horse Jump. **Keep to the left side of the split driveway on entering (between the stone pillars).** Follow the long driveway back to Visitor Parking.

**Check in** is no earlier than 4pm on the day of your stay. Our hours are normally available for exceptions but you must contact us to make arrangements. Please notify us of an approximate arrival time prior to your visit and then text or call about an hour before your arrival at (540) 784 9661. We have a large property and would love to greet each guest personally and show you around. If you are arriving after 8 pm simply arrive at the lodge, check the large board on the front wall for your name and room or cabin number and make yourself at home, the room or cabin key should be on your room door.

Any remaining balance for your room is due at check in, if checking in late we can take care of the next morning. We accept cash, check or credit cards.

**Parking:** Please park in front of or along the grass area by the lodge if you are in a vehicle. Horse Trailers can park in the grass area behind the cabins or other designated areas. If you are part of a large group coming in with horses please back up your trailers diagonally against the woods in the grass area so we can accommodate large numbers of trailers. If you need assistance we will be very glad to help.

**Breakfast:** Our Country Gourmet Breakfast is served at 8:30 am (unless otherwise prearranged) in the breakfast room which is located in the middle of the Lodge building. For our lodge guests, breakfast is included in your room rate. Breakfast is not included for our Cabin guests, but you are very welcome to join us with advanced reservations for \$10/person (\$5 for children 5 -13 years old, under 5 are free). For large groups breakfast will be served buffet style.

Please let us know ahead of time if you have any food allergies or preferences such as gluten free or are a vegetarian or vegan.

**Pets** are most welcomed at Penmerryl but please keep dogs on a leash at all times. Owners are responsible for any damage to the rooms such as scratching on the doors. Please, no dogs in the breakfast room.

**Internet :** We do have free Wifi and there is no password required to use it, however please be aware that we are out in the country and internet service is not the most reliable nor does it have the best range. The best internet connection is anywhere near the barn entrance, so the front rooms and breakfast room have the best connections. If for any reason it is not working, just send us a text and we will get it rebooted right away, it only takes a minute.

**Linens:** All sheets, blankets and bath towels are provided for you, we ask however, in order to help us keep costs down, that you please do not use our guest towels or wash cloths to wipe off make up, shoes or dry off dogs as this permanently stains them, we

have LOTS of other towels and rags you can use for that, just ask! In an effort to conserve energy and resources we will replace towels every other day but if you need fresh towels just leave the dirty ones in the bath tub and we will replace those as well.

**Trash:** We will come by after breakfast in the mornings to remove trash from the lodge rooms and refresh the coffee trays. Cabin guests can take their trash to the garbage cans across from the parking area against the barn. If you require assistance just let us know.

**Laundry:** We do have a small washer and dryer available to guests located in the Spa room.

**Grill:** A propane grill is located between the Gazebos on the pool deck. Please shut off propane tank when not in use.

**Fire Pits:** There are 3, one located in the pool area, a second by the Tavern and a third by the lake. We try to maintain small stacks of wood nearby for you but if you want more or are out feel free to collect all the wood you would like from the many acres of woods on the property.

**Pool:** Swimming in the pool is at your own risk. And children must be supervised at all times. Also, please do not allow dogs in the pool as we try hard to keep the pool clean. Please clean up after your dogs if they mess in the pool area so no one steps in it! Absolutely NO glass in the pool area. If you need plastic glasses just ask, we are happy to provide those for you.

**Hot Tub:** Please do not leave children unattended. Towels for the hot tub are provided and are in a basket in the hot tub room.

**The Lake:** We have an 8 acre lake with lots of fish for fishing, we do have canoes and small fishing boats for you to use. Please use caution and make sure children are well supervised at all times.

**Tennis Court:** Please feel free to use, we do have tennis rackets if you need some. Make sure the gate is closed at all times and you please collect all the tennis balls and put in the appropriate containers when you are done.

**The Tavern** is equipped with a full kitchen and bathroom and plenty of pots, pans and serving utensils. You will need your own paper plates and plastic spoons, forks etc if you intend to fix meals there. Please leave kitchen clean and any pots and pans you may have used washed. We will be happy to put things away. There are plenty of trash bags, paper towels and cleaners under the sink. Also enjoy the DISH Satellite TV, pool table, ping pong and any other games you might find. Please leave the air conditioning back to 75 degrees or the heat back to 65 degrees when you leave.

**The Barn & Horses:** This is a working farm that currently houses 32 horses. These are primarily privately owned competition horses. Unfortunately they are not available for trail riding or rentals but if you would like a riding lesson we can arrange that with prior notice. All the horses here love people and are very friendly. Feel free to pet them and visit the barns and ask questions. They love the attention!

**Check out:** is no later than 11 am unless prior arrangements for a late departure have been made. You can just leave your room or cabin key in the door and have a safe trip home!
