We are all in this together and the situation requires that each and every one of us take personal responsibility for the health, safety, and welfare of ourselves, our family members, and our colleagues and peers in the competition environment. Whether participant, competition organizer and staff, or vendor and support personnel, we each need to exercise caution, take precautionary measures, be accountable, and utilize good judgement at all times while interacting with one another at competitions.

We thank you in advance for your cooperation.
